New members should complete the membership form on our website, www.lakeontariocatalinaassociation.com and remit the fee of \$30.00.

Guest Speaker:

Jan Ploeger, President of Swans Yacht Sales, will provide an update on Catalina products as well as comments on best practices in preventive maintenance for your precious Catalina.

We Could Use Your Direct Involvement on the Executive

It is only through the participation and support by its members that LOCA continues to thrive and provide outstanding benefits to its members. Please volunteer a modest amount of your time and join a committee. It adds to the enjoyment and camaraderie of being a member of LOCA.

The current Executive has been in place for 3-5 years, so most have chosen to step aside. Nominations for all positions are welcome. Perry Woodman has accepted the nomination to become Commodore; Peter Campbell will continue as Secretary and Jose Halupa has accepted the nomination as Chair of Website and Social Media.

We are seeking nominations for:

Membership

Treasurer, and

Social Events

- The Rendezvous will be the weekend of August 25-27, 2023
