SAIL IN / DRIVE IN (SIDI)

- BENEFITS
 - Summertime commitments not as likely to impact members
 - Kick-off to the sailing season
- CONCERNS
 - Weather has been less enjoyable
 - Few boats have been launched (more of a drive in)
- OPPORTUNITIES
 - Should we move the SIDI to June for better weather

RENDEZ-VOUS

- BENEFITS

- Ideally this would be THE event of LOCA
- Fun multi-day event with activities: dinghy races, corn-hole, sundowners, etc.

- CONCERNS

- Has not occurred since 2019
- Is it hard to attend a full weekend because of summertime commitments?

- OPPORTUNITIES

- Condense to one-day event, change the date?
- What activities, formats, or other changes can be made to the event to increase participation?
